This is a key position for us here at Ten Mile Christian. We are looking to take our church to the next level. That hopefully will bring more people but our desire is to deepen the pool we have and build stronger foundations for growth in the future. These two things may seem to happen simultaneously thus we often refer to "building the bicycle as we go down the hill" as a theme around here. This position is also key in that we are looking to expand our preaching bench. The right person could have several opportunities a year to preach. And lastly, we look for this position to be evangelistic. All of us are called to share the Gospel but we do not train or operate that way sometimes. We hope this person will help us instill with confidence the desire to evangelize.

Though we are located in a small town, we are a church that had a vision well beyond the size of our town. We average over 400 in two service, with over 60% of our attendance involved in small groups. One of our primary goals has been to reach young families with kids, so we have a strong emphasis on youth and family ministry. We believe God wants to do big things in small towns (and big cities, too!), and we are passionate about seeing thriving communities of Christ planted all around this region. This position reports to the Lead Pastor.

Responsibilities: Church administration: partner with the Lead Pastor and Elders in providing strategic leadership in all areas of ministry, church operations, and developing and tracking overarching church goals and aligning of mission/vision and ministries; partner with the ministry staff to facilitate the overall work of the ministry to be more effective and efficient in fulfilling our mission; oversight of facilities and human resources for the BCC staff and church family, including maintaining up-to-date church policy and procedures, insurance, banking, financial budgeting and reporting (including mission team financial reporting and transitional housing [a newly developed ministry]), oversight of custodial and office staff, and assisting the Lead Pastor with oversight and growth of ministry staff.

Small Group Oversight: oversight of BCC's small group ministry (aka Care Groups); helping Ministry Team Leaders in recruiting, training and overseeing small group leaders to make sure the BCC family is effectively being shepherded in a small group setting.

Volunteer Oversight: Lead the BCC Ministry Team Leaders toward the church's vision of growing people in Christ; provide training and oversight at Ministry Team Meetings; develop a strategic plan for volunteer roles and management and recruiting of volunteers that allows BCC to find, seek and align people into ministries that fit their interests, spiritual gifts and talents.

Desired qualities: a life that is marked by evidence of the fruit of the Spirit and a proven track record of spiritual maturity and leadership in day-to-day life and work; a demonstrated character of integrity, credibility, and sound ethics; an ability to own and champion the mission and values of Bailey Christian Church; a servant's heart and a willingness to come alongside of others to help facilitate further ministry; gifted in administration and organizational leadership; experience working with a variety of diverse groups of people. Experience leading a team of volunteers; a good knowledge of and experience in leadership development; a working knowledge of both large and small budget/financial management; an ability to help manage a staff and cultivating an environment for staff growth/development in their roles; demonstrated self-discipline, self-motivation, and results-oriented contribution, ability to work independently as well as in a team environment; skilled in both verbal and non-verbal communication; highly adaptable and resilient, with the ability to navigate well through change; pragmatic problem solver who is energized by challenges and the ability to identify untapped opportunities; not required, but preferred: experience with technology and ability to solve, implement, and maintain website and social media sites.

Required Qualifications: Bachelor's degree; 5 years of experience preferred in staff/volunteer management; financial budgeting and reporting experience; human resource experience preferred; proven experience successfully creating, planning and implementing new programs; detailed oriented and able to meet deadlines within scheduled dates; able to handle multiple projects, programs and tasks efficiently.

The Family Life Minister will oversee discipleship approaches and practices for children from cradle thru high school and for their parents. NOTE: Jesus Life Center is a brand new ministry incorporated Jan. 2016. Castle Christian Church is a seniors' ministry started in 2005. Together we have a huge vision. Our aim is to provide a multi-faceted ministry including a Spanish Speaking Ministry currently running 60. Launch a retro-traditional congregation focused on older participants. Launch a Jesus Life Church with contemporary programming. Launch a major ministry to children and youth including day care operations.

We are currently building a Ministry Launch team to add to our existing team. Evangelism, Music, Preaching/Teaching, children's workers – essentially we need every phase of leadership to insure strong church planting and growth. We are self-funded with significant local resources. We also have provision for tent ministry opportunities as needed.

Good Christian Character, enthusiastic relationship builders, strong work ethic, cooperative spirit, with a wide range of gifts and interests are needed to participate as team members.

This would be a great opportunity for experienced leaders seeking to retire.

This is a chance for a young ministry candidate to fine tune their skills and build a solid ministry future.

Opportunities to work in many different settings are available to those who join our ministry launch team. Eventually we will need Preschool Director, Care Minister, Evangelism Minister, Children's Minister, Music Minister, etc. As we launch ministry, key leaders are expected to evolve into more formal roles.

NOTE: In the Army and Army Reserve, you are first and foremost a minister. That is why the Army offers numerous opportunities to continue your pastoral education. Your training begins with the Chaplain Officer Basic Course, a 12-week program at Ft. Jackson in South Carolina. Reservists can complete this program over the course of 3 years, if they choose. After that, you can continue your academic pursuits if you want. There are opportunities for Clinical Pastoral Education, fully-funded master's degree studies and family-life training. In addition, Army Chaplains can seek credentialing tracks in the American Association for Marriage and Family Therapy and the American Association of Pastoral Counselors. There are also teaching opportunities. By joining the Army Reserve Chaplain Candidate Program, you will get a head start on Army Chaplain training as well as all the benefits of being an Army officer while still in seminary. You can receive up to \$3,500 every year during seminary to help toward tuition costs. If you choose to do this, you must serve at least 4 years in the Army Reserve. Your only other obligation is that you seek ordination and ecclesiastical endorsement within 3 years of finishing seminary and meet the Chaplain Candidate requirements.
